> CALDWELL INSTITUTE, HILLSBOROUGH, N. C.

THE next session of this Institution will commence on Thursday the 11th of July. It has been deemed advisable, in order to meet the wants of young men who do not design to graduate in any college, to introduce a more popular course of Natural Philosophy, and devote more time to Practical Mathematics than is usual in Schools or Colleges. To effect this it has been determined to lay aside Analytical Geometry, to extend the course on Surveying and Mensuration, and introduce Practical Astronomy. The next session is the regular time for a class to

commence the study of Latin. It is very important for all students to be present at the beginning of the session. Any further information relating to the school can be
